

Welcome!

We are again excited to have the opportunity to help you, the bowler, enjoy the wonderful sport of bowling in the Northwest Georgia USBC

We continue to support bowlers in every way possible. The Northwest Georgia USBC awards program is state-of-the-art and continues to recognize superior achievements. We are working to grow our youth programs that provide structure and development for the young people in our area helping them to take advantage of the many educational and scholarship opportunities available through bowling!

We host several local tournaments to foster competition and comradery. This season we will also be hosting State Tournaments this year. We continue to provide assistance for rules and organization of leagues and tournaments.

Browse our website, our Facebook page and resources that we offer, we welcome your feedback!

If you've not bowled in a while, welcome back! if you are a returning bowler, bring a friend, join a certified league, and have fun! Experience the many wonderful aspects of our sport!

Suzanne L. Hatfield
President
Northwest Georgia USBC
