

Northwest Georgia USBC

Welcome Back!

The Northwest Georgia USBC is excited you are certifying your league with us this season. Our team is eager to have the opportunity to help you enjoy the sensational sport of bowling in a Northwest Georgia USBC certified league.

We have scheduled a membership meeting to be held at Bowlero Austell on Saturday, September 12th @ 2:00 pm. The meeting agenda includes a proposal to merge Northwest Georgia USBC with the Greater Atlanta USBC.

The Northwest Georgia USBC awards program is state-of-the-art and continues to recognize superior achievements. At this time, we are working diligently to process awards from the previous season. Please ensure you submit all awards at least monthly to awards@nwga-usbc.com.

Congratulations to our very own Southern Lanes proprietors, management and employees for being recognized by the USBC as Proprietor of the Year. This is an extraordinary recognition.

We host several local tournaments to foster competition and camaraderie. This season we will also be hosting the Georgia State Open Championship team event at AMF Woodstock. AMF Woodstock is also hosting the northern region and finals for the State Youth Scratch Championship. For your convenience, we have the Georgia State USBC and Northwest Georgia USBC QR code links available at your local bowling center.

Browse our website, our Facebook page and resources that we offer, we welcome your feedback!

We look forward to working with you throughout this upcoming season!

Suzanne L. Hatfield
President
Northwest Georgia USBC
